

2014 Grant Recipients

LANDFALL FOUNDATION AWARDS 72 GRANTS TOTALING \$310,000

FOR IMMEDIATE RELEASE

WILMINGTON, NC—On November 6, 2014, the Landfall Foundation presented checks totaling \$310,000 to 72 Wilmington area non-profit organizations. This distribution was the largest amount awarded since the foundation's inception in 1995. Last year 71 organizations received grants totaling \$280,000.

"The foundation is very pleased to have over a 10% increase in our grants for 2014. The positive trends in 2014 imply that our foundation has the ability to continue the growth in our support of so many deserving non-profits. We are hopeful that a similar increase in grants will be attainable next year. Including this year's awards, the Landfall Foundation has now contributed a total of over \$3 million dollars to local non-profits and scholarship recipients," says Bill Hamlet, Landfall Foundation president.

The number of requests for grants has increased dramatically as other charitable entities have cut their funding for non-profits. The foundation has implemented new fundraisers in addition to their spring gala to help meet these needs. A new venture this year was "The Legends" tennis tournament, as well as a foundation hosted French dinner. Other fundraisers include the Landfall Art Show, which was held in August; and the Holiday Marketplace, which will be held again at the Landfall Clubhouse on December 2, 2014.

Through the generosity of the Landfall Foundation supporters, the foundation has provided meaningful assistance to non-profit organizations in the categories of Arts, Education, and Health and Welfare since it's founding. Co-Chairs for the 2014 Grants Committee are Landfall residents Mary Brown and Karen Gibson.
