

## 2011 Scholarship Recipients

*by Robert Rothermel, Scholarship Chair*

We are pleased to announce the following individuals as Landfall Foundation Scholars for the past year. These fine employees of the Country Club of Landfall have continued their education with financial assistance from the foundation during the year. Each individual has met the requirements of their grant by working at CCL and satisfactorily meeting our academic expectations in the classroom, thereby demonstrating the focus and discipline necessary to their long-term success.

In addition to these CCL employees, Ashley Anderson worked as an intern for the foundation over the past year and also received a grant to assist in her education.

Our program has been in place for the past 15 years and we are pleased to have provided assistance to many fine individuals who have worked to make Landfall such a special place. We thank our many contributors who have made this possible. When you are next at the Club, please look for the Landfall Foundation pins worn by our employee scholars and congratulate them on their achievements.
